Rob,
Thanks for working with me on paragraphs 16 and 20. Per our conversation, I have tightened up our explanatory comments. Attached please find my revised draft. I look forward to speaking with you first thing tomorrow morning.

Mike,
Please let me know if you have any comments or concerns with my suggested approach. I would like to send our revised redline AOC to CFAC by COB on Wednesday.

Thank you both.
-Mark

AC Communication

Hi Mark –

Per our conversation, here are the tox summaries from IRIS for Arsenic, Cyanide, and Fluoride. I pulled these from IRIS today.
